

Homework No. 3 – Correlation and Regression

Instructions

Complete problems 2-3, 2-5 and 2-7 on pages 32-33 in Avery and Burkhart (2002; 5th Edition), and submit your answers in a short memo.

Please, if you're having trouble, ask for help! It's our job to provide help if you need it.

Product

Submit your answers in professional memo format. You must put your Lab Section on your memo and address the memo to your TA!

Due Date

This assignment is due at the beginning of class on Monday February 16, 2009.
